We offer free online and mobile services on all Business Accounts. Stay in-the-know with Mobile Banking, eStatements, WebBanking™ and much more!

- **WebPay™** Pay your bills while you track and manage your funds from anywhere. With this access, you can view account and loan balances, transfer funds, view transactions, eStatements and make payments 24/7.
- **WebBanking™** Share access with trusted individuals so they may view and conduct transactions on accounts. Export through QuickBooks® Direct Connect (desktop version) for an easier account reconciliation..
- **Mobile Check Deposit*** Make deposits quickly and easily by taking a photo with your mobile device.
- **Wire Services** Fast, accurate and secure transfers of funds. Transmission of both domestic and international wires through online banking

HELP GETTING STARTED

- **Enroll in WebBanking™**
 - Select login, then choose ‘new user’ and complete the registration form.
 - Your username will need to be between six and twenty five characters with at least one number and one letter.
 - Your password should have a minimum of six characters and at least one number and one letter.
 - In the Personal Information section, you will use your personal name, date of birth, and mother’s maiden name, but instead of the Social Security Number you will use the Business EIN. The Business member number was provided at account opening.
 - Once you are enrolled in WebBanking, you can click on the WebPay™ link within the portal if you want to use BillPay.
- **Enroll in WebPay™**
 - Click WebPay™ link within the portal.
 - At the registration form prompt, complete the fields with the following information: Name, Social Security Number, Mailing Address, Email Address, Phone Number, Mother’s Maiden Name and Funding Account Information.
 - Confirm the information you’ve entered is correct and submit.
 - Within 24 hours, you will receive approval or a reason we can not offer you this service.

be your best you.
