Beginners Best Kids Savings is a simple savings account for kids through age 12. It's a fun way to jumpstart early learning habits of saving + spending for your child. Feel empowered with tools to help your child build a foundation for a lifetime of smart financial decisions — helping them become their best!

TEACH YOUR CHILD TO SAVE

Show your child the growth of their savings as balances earn money. Access educational resources for parents to teach your child about key money concepts like delayed gratification, playful spending, and tradeoffs in the [financial education section of the website](#).

SIMPLE TO GET STARTED

No monthly fee and open with just \$5. Open online or at any Allegacy Financial Center.

SECURE DIGITAL ACCESS

Parents can log into WebBanking or our Mobile app to show your child their savings progress + celebrate.

GREAT FOR BIRTHDAYS + HOLIDAYS

Anyone can make a deposit to the account, so it's a great way for family and friends to offer a gift to your child's savings account.

Once your child reaches age 13, Allegacy will 'graduate' the account into a Daily Access Savings account automatically so that your child can continue saving into young adulthood.
