

Designed with your success in mind.

Regardless of whether you're an individual working out of a home office or the boss of thousands with global locations, your business deserves the best to thrive.

Every business has their own requirements when it comes to depositing and accessing funds, volume of transactions and affordability of banking services.

Allegacy offers Business Checking Accounts to fit every size and structure of organization. From non-profits seeking to keep their funds accessible to retail operations with daily deposit and withdrawal demands, we have an account to meet your business banking needs.

BUSINESS COMMUNITY CHECKING

Business Community Checking allows our low transaction business members, non-profit and civic organizations to manage their funds without costing them a dime.* Best suited for non-profits or small organizations with little-to-no transaction volume.

BUSINESS VALUE CHECKING

This account helps small businesses grow by paying dividends on tiered balances and keeping maintenance fees low.

FREE ONLINE AND DIGITAL SERVICES

Each of our Business Checking Accounts comes with free online services, including WebBanking™ and WebPay™, to help you track and manage your business remotely.

With WebBanking™, you can view account and loan balances, transactions and processed checks, as well as transfer funds between accounts, from any computer in the world. Bills don't have to wait until you're back in the office, either.

With WebPay™, you can track and receive bills online and schedule payments in advance. Allegacy Mobile Banking allows you to access both from the convenience of your mobile device for the ultimate in on-the-go banking.

be your best you.
