committed to the
wellbeing of you,
your business and
your employees.

Whether you own a promising start-up or a Fortune 500, Allegacy is one place you can always turn to for unbiased advice and business solutions that are truly in your best interest.

We offer sound financial advice backed by a full suite of business banking¹ products designed with your business goals and best interest in mind.

BUSINESS CHECKING

Whether your priority is high returns or low account maintenance fees, Allegacy enables businesses and community organizations to access, manage and even grow their cash with a variety of Checking Accounts. Businesses with low transaction activity can enjoy a cost-effective way to manage their checking, while businesses can earn competitive dividends on tiered balances. Whether you are a growing local business or a company with offices across the globe, there's an account with Allegacy to fit your needs.

BUSINESS SAVINGS

Make your money work as hard as you do by maximizing the growth of your surplus cash in one of our business money market accounts or certificates.

BUSINESS LENDING

Make dreams come true by starting your own business or growing your current one with the help of our affordable, flexible loans and lines of credit. We can craft unique loan terms and conditions, while offering interest rates that are highly competitive.

ALLEGACY VISA[®] BUSINESS CREDIT CARD

Make better business choices by gaining flexibility in monthly cash flow and spending as well as better tracking and control of expenses.

be your best you.

At Allegacy, we don't look at just one piece of the puzzle. This means we take into account those within your organization who help make you a success and any opportunity that would help make you a more efficient business owner. In addition to our full suite of business banking products, we offer services that streamline the business management process.

TREASURY SERVICES

Allegacy can help you streamline your business efficiencies with a number of tools for any type of business. Treasury Services optimize the cash flow of a business and improve financial decisions with better cash forecasting and visibility, while saving time and expense. Make deposits from your office with Remote Deposit Capture. Increase sales by using Merchant services to accept credit cards. Reduce check handling and improve cash flow by using Automatic Clearing House (ACH) services.

ONLINE SERVICES

Convenience is about more than drive-through lanes and extended banking hours. Our Web and Mobile Banking services are available 24/7 so you can manage accounts, transfer funds, pay bills and much more, at the time and place that's most convenient to you.

EMPLOYEE BENEFITS²

Save time and money, while still meeting the needs of your employees, by leaving your benefits planning, implementation and support to the experts at Benefit Solutions.

PAYROLL³

Allegacy's Payroll Solutions, powered by PrimePay, can bundle all your payroll processing and human resources management needs, including new hire reporting and garnishment management, ACA, W2 and 1099 Form preparation and filing.
