Rewards that let you choose.

At Allegacy, we are committed to consistently delivering great service with simplicity and convenience. We value each member relationship and always look for opportunities to give back to you. Through our exclusive CUREwards® program, by using your Allegacy Visa® Business Rewards Credit Card we can do both.

HOW YOU EARN POINTS.

You earn points for every dollar you spend using your Allegacy Visa® Business Rewards Credit Card. This includes purchases made online, in an app or at a merchant (*net purchase transactions only – purchase less credits, returns and adjustments*).

What will you use
your points on?

You can also earn points even faster in the CUREwards® Mall. This enhancement program allows you to earn Mall points by shopping at your favorite brand-name retailers who are participants in the Mall network. Rotating banners relevant to you and your spending preferences will be shown with special offers for discounts or bonus points. These bonus points can be up to 10 points for every dollar spent at these stores!

HOW TO REDEEM YOUR POINTS.

With the CUREwards® program, the possibilities of point redemption are easy and endless. Simply redeem your points for cash, opportunities and premium merchandise. Keep in mind though that the more points you save, the greater the rewards.

For example, for only 25,000 points you can earn \$250 in cash!

In staying true to the credit union's philosophy of "people helping people," CUREwards® allows you to use your points to donate to causes near and dear to your heart.

Allegacy
be your best you.
