Cellular Telephone Protection

Cell phones have become an everyday necessity for the average person, which means if your cell phone is damaged or stolen, getting it repaired or replaced is not optional.

Fortunately, Cellular Telephone Protection is available which provides coverage for damage to, theft of, or involuntary and accidental parting of your cell phone. An involuntary and accidental parting is the unintended separation from your cell phone when its location is known, but recovery is impractical to complete. This benefit is available if you are a valid cardholder of an eligible U.S. issued card enrolled in the Cellular Telephone Protection benefit and you charge your monthly cellular wireless phone bills to your eligible card for the billing cycle before the month in which the incident occurs. Eligible cell phones are the lines listed on your most recent cellular wireless service provider’s (“cell phone provider”) monthly billing statement for the billing cycle prior to when the incident occurred.

What is covered?

This benefit is supplemental coverage, which means that it will reimburse you for theft of, damage to or involuntary and accidental parting of your cell phone not otherwise covered by another insurance policy (for example; cell phone insurance programs, or your homeowner’s, renter’s, automobile, or employer’s insurance policies). If you have personal insurance that covers theft, damage or involuntary and accidental parting for your cell phone, this benefit reimburses you only for the deductible portion of your cell phone insurance. If you do not have personal insurance, the benefit reimburses you for the covered theft, damage, or involuntary and accidental parting for your cell phone.

Once all other insurance has been exhausted, Cellular Telephone Protection will provide coverage up to $250.00 per claim with a maximum of two (2) claims and $500.00 per twelve (12) month period. If it is determined that your cell phone requires replacement due to the theft of, damage to or an involuntary or accidental parting of the device, you will receive the replacement value subject to the fifty dollar ($50.00) deductible and the benefit maximum. The replacement value is the lesser of your cellular wireless service provider’s suggested retail value of a similar model replacement cell phone or the actual cost to replace the cell phone. If your cell phone is repairable, you will receive an amount as determined by the diagnostic to repair the cell phone subject to the benefit maximum and fifty-dollar ($50.00) deductible.

Note: Electronic issues, such as inability to charge, mechanical or battery failure, where there is no evidence of physical damage, are not covered under this program.

When does it apply?

Cellular Telephone Protection applies when you make your monthly cellular wireless phone bill payment with your eligible card. Coverage begins the first day of the calendar month following a payment of the cellular wireless phone bill. If you fail to make a cellular wireless phone bill payment in a particular month, your coverage will be suspended. Coverage will resume on the first day of the calendar month after the date of any future cellular wireless phone bill payment made with the eligible card.

If your cell phone is stolen as a result of criminal activity, you must file a police report within forty-eight (48) hours of the event.

What is not covered?

This benefit will not provide reimbursement for the following:

• Cell phone accessories other than standard battery and/or standard antenna provided by the manufacturer
• Cell phones purchased for resale, professional, or commercial use
• Cell phones that are lost or “mysteriously disappear,” meaning that the phone vanished in an unexplained manner without evidence of a wrongful act by a person or persons
• Cell phones under the care and control of a common carrier (including, but not limited to, the U.S. Postal Service, airplanes, or delivery service).
Eligible Person means a cardholder who pays for their monthly cellular wireless phone bill with their eligible card.
