

## Leadership Announcement

Dear Member:

Today, I want to share some important news in my life and about the future leadership of Allegacy Federal Credit Union.

After 38 years working alongside some of the best people in the credit union industry, I have announced my retirement and am passing the leadership role of CEO to Cathy Pace, who will assume the position on May 1, 2013.

I have had a great run and am very proud of what we all have accomplished together. There are too many achievements to name them all but just know that none could have been reached without the wonderful teamwork that is evident at Allegacy. It's been an honor to work alongside great employees and get to know our members throughout the years.

Many of you know Cathy extremely well as she has been a part of Allegacy for 34 years and is well-prepared to lead our organization toward continued success. She not only brings great energy and vision to the role, she is a visible, well-known and respected executive in the credit union industry and in the community.

Please wish her well and support her as she leads our credit union for years to come.

I will continue to serve Allegacy as executive advisor while focusing on community involvement. As we transition to a new CEO, only the fifth in our credit union's history, I must again thank you for helping build our credit union into one of the largest in North Carolina and one that truly puts our members first.

The [official press release](#) is available on our website and a link to the video announcement can be found below.

With great gratitude,

W. K. Keener, Jr.  
President / CEO
