

It's here!

YOUR UPGRADED ALLEGACY DEBIT CARD NOW WITH EMV CHIP TECHNOLOGY FOR BETTER SECURITY.

You have a new card number and expiration date for each cardholder, but your PIN remains the same. Please activate each card(s) by calling 855.847.2024.

Be sure to sign the back of your card(s) and update merchants processing recurring transactions with your new card number and expiration date.

Merchants are working to update their technology, too. So when making a purchase, dip the chip when you can, but you'll still be able to swipe the stripe.

Contact Allegacy before travelling or if you plan to make an unusually large purchase. This will ensure your transaction is not suspected as fraud.

**Be yourself. And enjoy every minute.
Your new card makes it easy to pay — so you can do what you do.**
